SLIP CASES

Slip cases are available to hold groups of bound chapters conveniently. They are a good quality product made of stiff board and covered in a single sheet of buckram. Each slip case holds a number of chapters roughly equivalent to 450 printed pages.

The price is £30.00 each

For the purpose of calculating P&P, treat each slip case as if it were printed pages priced at £23.00 and add this to the price of any actual printed versions ordered at the same time.
